3. An understanding of contemporary learning and teaching principles and practice
4. Energy and a desire to work in an environment that values continuous improvement
5. A demonstrated ability to work in a collegial way with other staff
6. The ability to provide a learning environment that engages and challenges students and encourages them to take responsibility for their own learning

Desirable
1. The ability to teach Religious Education
2. An understanding of current issues in girls’ education.

Current Teaching Position

We are looking to add to our Science and Maths staff due to the increased number of senior classes in Chemistry, Biology and Senior Maths. This growth is the outcome of the collegial development of learning and teaching in the Maths and Science classrooms in Years 7-10. Joining the staff at OLMC means joining a collaborative staff who want the best outcomes for students.
